

JUWEIRA BOUTIQUE HOTEL - at Muriya's Hawana Salalah Destination

With an idyllic marina-side location, the four-star Juweira Boutique Hotel sits at the heart of Muriya's incomparable lifestyle and leisure community Hawana Salalah, offering guests the chance to relax and unwind in a unique and welcoming family environment. Launched in 2012, the hotel is the first hospitality venue to join the destination and was honoured with the 'HolidayCheck Award' in 2017 and 2018 by HolidayCheck, Germany's hotel rating portal, and one of the most prestigious in Europe.

Inspired by Oman's authentic grace and charm, the Juweira Boutique Hotel effortlessly blends traditional Arabian influences with contemporary design elements. The epitome of comfort and refinement, its 82 guest rooms with stunning ocean, marina or lagoon views include luxurious and generously proportioned suites, spacious family rooms and well-equipped one, two and three bedroom apartments.

Salalah's temperate climate means guests can enjoy the hotel's recreational facilities year round, including two large marina-fronts, Al Boom Pool Bar, an outdoor Jacuzzi and a children's pool. With the white sands and clear waters of the nearby beach a short stroll away, guests can indulge in a variety of aquatic activities and water sports. Healthy regimes can be maintained in the fitness centre with post work-out pampering available in the Juweira's spa.

Dining at the Juweira Boutique Hotel is a gastronomic treat with the Al Manara Restaurant offering an enticing array of international and traditional options throughout the day, while the à la carte As Sammak Restaurant is renowned for serving the best seafood in Salalah. The hotel also offers its guests the Dine-Around programme, where they can sample culinary creations from a host of participating restaurants in the destination, offering superb choices and unbelievable value.

The Juweira Boutique Hotel is a 20-minute scenic drive from the recently redeveloped Salalah International Airport. It is an hour and 45-minute flight from Muscat, Oman's capital city and is accessible by road and sea from cities across Oman and the region.
