

## **GOLF AT JEBEL SIFAH**

The Jebel Sifah Golf Course is home to 9 spectacular holes set amidst the timeless Al Hajar Mountains. True to Harradine Golf's philosophy of integrating local topography into the overall design, the newly launched development adds a new perspective to the game. Stunningly beautiful yet equally challenging, each hole offers a distinct set of thrilling experiences, moments and settings golfers will find thrilling every time they hit the greens. Measuring a championship length of 7,268 yards, the course can be leisurely enjoyed at 5,686 yards.

Designed as a genuine world-class canvas for players of every difficulty level, the Jebel Sifah Golf Course features a wide variety of unique twists and turns to keep golfers guessing. Harradine's first seaside course, the landmark development was unobtrusively built in-between residential units incorporating backdrops of the Arabian Sea as well as local flora and fauna. A par-72 with five tee locations at each hole, the course offers an opportunity for levels of players to enjoy their round at their own pace. The Jebel Sifah Golf Course is managed by experts Troon International who leverage their industry leading expertise to ensure that all prospective golfers will enjoy the highest level of customer service and an unforgettable golfing experience.

## **FootGolf**

FootGolf is a new way to enjoy time on a golf course by using a football for a faster paced game. Played much like a traditional game of golf, in FootGolf players instead kick a football from the tee to a 21-inch hole. It is a precision sport that combines the elegance of golf with the passion and energy of football. Old and new players are welcome to try their hand at this new global phenomenon in Jebel Sifah.

## **Golf Shop**

The golf experience at Jebel Sifah is enhanced with a dedicated Golf Shop conveniently located at the Marina just minutes from the course. The Golf Shop's phenomenal range of products include high-performance golf clubs as well as intermediate and beginner-level equipment, encompassing everything in between to suit every golf enthusiast. An extensive selection of the latest apparel, footwear and outerwear from major brands such as TaylorMade await golfers.
